Re: Temporary Closure of the Bordeaux Fire Station
Tango Company

Due to unforeseen mechanical failure of a fire apparatus located at the Tutu Fire Station in Annas Retreat, the Virgin Islands Fire Services is forced to temporarily close the Bordeaux Fire station until further notice while repairs are being made to the apparatus.

The apparatus and personnel assigned to the Bordeaux Station are being relocated to the Emile Berry Fire Station and personnel of the Dorothea fire station have been relocated to the Tutu Fire station until repairs have been completed.

All emergency calls for the Bordeaux community will be handled through the Dorothea fire station. 911 operators are aware of the temporary closure and will dispatch the closest fire service to any emergencies accordingly.

The Virgin Islands Fire Services regrets any inconvenience this may cause to the Bordeaux community.
